

Dear Valued Customer,

On March 12, 2020 the *Navajo Nation Parks and Recreation Department* issued an emergency closure of all *Navajo Nation Parks*, which includes *The Upper Antelope Canyon*. Due to the closure, *Adventurous Antelope Canyon Tours* ("AACT") is forced to cancel all tours until further notice from *Navajo Nation Parks and Recreation Department*. We will monitor the ongoing situation and follow the advice and guidelines enforced by *Federal, State, Navajo Nation, and Health Agencies*. As soon as we reopen operations, AACT will be accepting reservations for tours of *Upper Antelope Canyon*. AACT shares your disappointment in this recent change of circumstances and appreciates your understanding.
